Memo looks fine, but is missing one question that AAW asked about - when were the Chairs appointed to NAC/GAC (eg under whose Administration).

Hi Luis,

Per our conversation, attached is a draft memo from Donna to the Administrator for your review and comment. We wanted you to review it prior to sending to Donna, to ensure that it meets the requests

of the Administrator. We are also including the attachments. I am waiting for one additional attachment.

Please give us your feedback asap, so we can move up the Chain to Donna for her review. She will most likely ask us if Jane has reviewed it, so it would be great if you could send a quick note on her concurrence on the Memo.

Best regards,
Oscar

Subject: Clarification

Hi Monisha, Oscar—I reviewed my notes and Mark's recollection was correct. Jane would like to see the memo/note from OMS. The note would go from OMS.
Thanks.
